

REMARKS

Applicants have amended the specification by inserting headings as appropriate and by revising the abstract to a form more conventional in this country. Applicants have also amended the claims to remove non-statutory claims and to eliminate improper multiple dependent claims. No new matter has been added, nor has the claim scope been narrowed by these amendments.

Early action allowing claims 1-12 and 14-21 is solicited.

In the event that the transmittal letter is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing 424662008900.
